

“ACTION RESEARCH” KONULU HİZMET-İÇİ EĞİTİM ÇALIŞTAYI

ERÜ YDYO Akademik personeline yönelik Hizmet- içi Eğitim Çalışmaları kapsamında, 12.01.2024 Cuma günü yüksekokulumuz konferans salonunda Oxford Yayınevi ve Ardıç Kitabevinin katkılarıyla “Action Research” konulu bir çalıştay gerçekleştirilmiştir. Bahsi geçen seminer üç oturum halinde düzenlenmiş ve İzmir Yüksek Teknoloji Enstitüsü YDYO Müdürü Dr. Sinem Bezircilioğlu tarafından yürütülmüştür.

The main sheet of paper features a hand-drawn star map with a large green star at the top left and numerous smaller stars scattered across the page. The text sections are as follows:

- TELEPORTATION**
...with this magic, with heavy practice we take the students to see the students in the future "Smart students" and we really have to be smart to learn.
- Freeing Time**
Sts will have as much time as they need to learn and practice what they have learned - that's to be fine!
- Traveling to the future**
This superpower takes students to their future selves to show how English is important for their education and profession.
- Lexis Jelly Magic**
This magical jelly enables students to learn and memorize Oxford's 5000 words and use them in a paper context.

Sticky notes on the sheet include:

- Green: "Great!"
- Blue: "Good Job!"
- Yellow: "Clever idea! Great job!"
- Orange: "Wow!"

Partial view of a smaller sheet of paper with handwritten notes and several colorful sticky notes.
