

**L5 LEVEL
IN CLASS WRITING EXAM**

Subject: “Animal testing for medical purposes is ethically justifiable.”

Write an **argumentative** essay (250–300 words) discussing whether animal testing for medical purposes is ethically justifiable. Support your ideas with clear arguments, examples, and evidence. Use appropriate linking expressions and formal academic language.

- Be careful with the capitalization and punctuation rules.
- Complete the outline before you write.

(!) Sentences which are not about the topic given will not be evaluated.
